5-Day Tanzania Safari: Serengeti, Ngorongoro, Tarangire & Lake Manyara

Tanzania

Overview:

This 5-Day Tanzania Safari: Serengeti, Ngorongoro, Tarangire & Lake Manyara allows you to witness amazing and interesting animals. You are immersed in the unspoiled nature of real Africa. You will see wild animals up close and take photos of the beautiful landscapes of Tanzania. All this with the assistance of a tour operator based in Arusha. This tour provides full board while on safari, a personal English-speaking guide, and private use of a 4x4 Jeep (with mineral water, power sockets, and binoculars supplied).

Itinerary in Detail:

DAY 1: Arrival in Arusha

Our safari guide will pick you up at Kilimanjaro International Airport or Arusha Airport and transfer you to your hotel in Arusha. You will relax for the rest of the day at the hotel and have your overnight stay. Then, we are ready to take you on the Arusha city tour to explore this beautiful city.

Accommodation: Arusha Planet Lodge

DAY 2: Arusha to Tarangire National Park

After breakfast, we start a beautiful game drive to Tarangire National while carrying lunch boxes.

Tarangire National Park is well known for its large elephant herds. The park comprises various landscapes, from seasonal swamps to savanna, with the Tarangire River winding its way through

the parklands. We may have the experience of seeing a lion stalking its prey or leopards observing their surroundings from the trees above. Once all the game drives are complete, we drive to your lodge for relaxation, dinner, and overnight.

Accommodation: Marera Valley Lodge

DAY 3: Ngorongoro Crater to Serengeti National Park

After breakfast, depart to Ngorongoro Conservation Area for a game drive inside Ngorongoro Crater while carrying lunch boxes. Later transfer to Serengeti National Park for your overnight stay.

The Ngorongoro Conservation Area is the world's largest uninterrupted caldera and one of Africa's natural wonders. There are about 30,000 large mammals resident all year round (such as buffaloes, lions, elephants, cheetahs, and rhinos) and a wide variety of birds (such as flamingos, eagles, buzzards). So be ready to see many animals within a short period.

Accommodation: Serengeti Classic View Camp

DAY 4: Serengeti National Park to Karatu

You will wake up early and enjoy a magical game drive in Serengeti National Park before you depart in the afternoon to Karatu. Your accommodation for the night is near the Ngorongoro Crater. The following morning early, you will descend into the crater to see animals as the animals are more active in the morning.

Serengeti National Park is well-known for its great migrating herds of zebra, antelope, and wildebeest. However, be ready to see resident predators such as leopards, cheetahs, and lions fulfilling their role in the circle of life.

Accommodation: Marera Valley Lodge

DAY 5: Manyara National Park to Arusha

After breakfast, depart for Lake Manyara National Park on a game drive while carrying lunch boxes. Later, we will drive you back to Arusha, where the safari ends.

Lake Manyara National Park is famous for its arboreal lions, which hide among tree branches. You will also see numerous troops of baboons living in the forest, accompanying you along the road from the moment you enter the park.
